

COVID-19 Vaccine Location

The COVID-19 vaccine is being distributed at Renown's drive-thru location for those with a confirmed vaccine appointment in MyChart. An appointment is required to receive a vaccine at this location. Please wear a mask, a short-sleeved shirt and bring the following items to your scheduled appointment. You will be required to provide them when you arrive.

- Appointment confirmation from MyChart (printed or displayed on your phone)
- ID (driver's license)
- Your insurance card and Medicare card, if you have one
- Consent form, printed and signed from the "Messages" section in your MyChart account (if you do not have access to a printer, or the consent form does not come through, a form will be provided to you at the drive-thru)
- An EpiPen, if you require one for allergies

For more information and questions about the vaccine, please visit renown.org/covid19.
