

Pre-Operative PCR Swab Testing

Special Access for Surgical Patients at Renown South Meadows Medical Center

Before receiving surgery at Renown Health, all patients are required to take a COVID-19 test. Your testing appointment will be made for you by the surgery team during your pre-admission appointment. Surgical patients are tested in the roundabout at the Renown South Meadows visitor entrance. (See the map below.)

Be sure to bring your ID (driver's license) and insurance card. When you arrive, remain in your car and pull forward when an employee signals you.

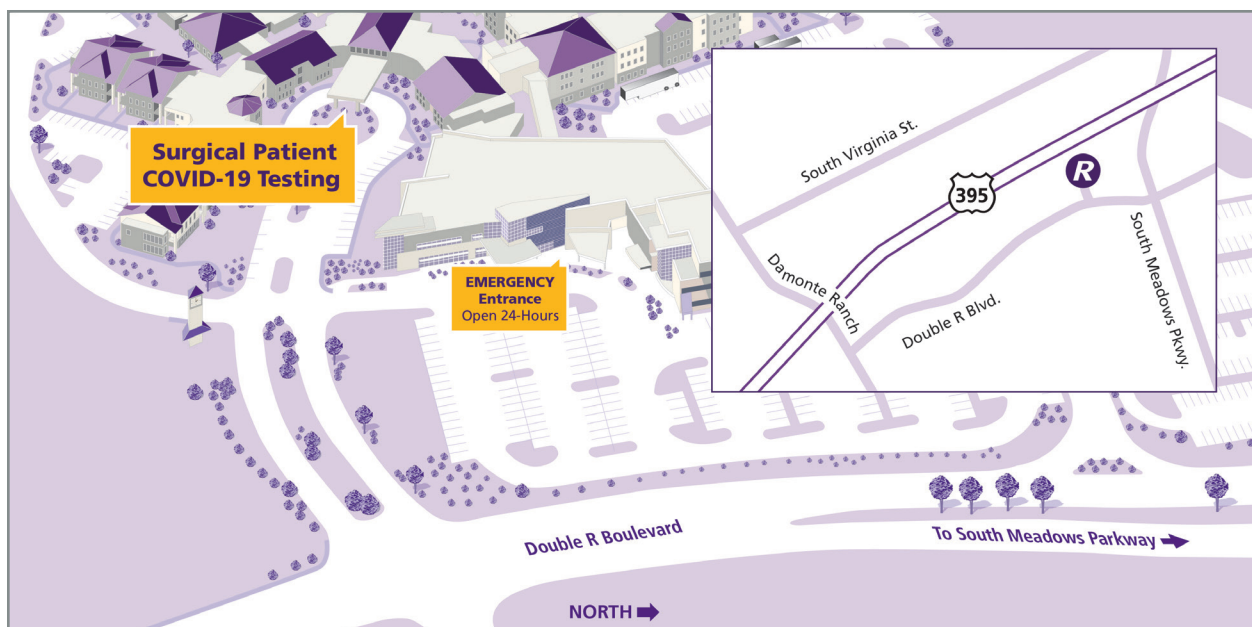

Please complete your test fewer than 7 days and more than 48 hours prior to surgery. After testing, please self-isolate until your surgery.

Renown Surgical Patient COVID-19 Testing

When: By appointment only

Where: Renown South Meadows Medical Center Visitor Entrance (near the Emergency Entrance), 10101 Double R Blvd., 89521

It is very important to call **775-982-3993, option #1, option #1** if you need to cancel your appointment. Every appointment matters every day, but even more importantly during these challenging times. For more information, call **775-982-3993, option #1, option #1**.
